

Akzo Nobel (CPS) Pension Scheme

Retirement quotation request form

To get a quote of your current estimated pension benefits from the Akzo Nobel (CPS) Pension Scheme (the Scheme), please complete and return this form to:

Akzo Nobel (CPS) Pension Scheme, PO Box 545, Redhill, Surrey RH1 1YX

This form is intended for the use of **deferred members only**. If you are still an active member of the Scheme, please contact HR shared services.

INSTRUCTIONS

- You may request one quotation in any 12-month period, for which you may only select one retirement date (you can select your retirement date below).
- This quote will provide you with information on all the retirement options available to you.
- You should receive your quote from the administration team within 10 working days. This may take a little longer if you have Additional Voluntary Contributions with Prudential.

Please note that retirement quotes will only be provided up to a maximum of 24 months in advance of your requested retirement date. This is because quoting benefits too far in advance can result in the provision of misleading information due to potential changes (both legislative and Scheme specific) to the benefit basis and subsequent calculation results.

YOUR DETAILS

To allow us to access your records, please complete the following details. Please also confirm your current address for receipt of your statement. If you have recently moved and have not yet informed the administration team, please include your old as well as your new address.
